

PERSONAL INVITATION to the ROUNDTABLE

“Current situation at the Ukrainian construction market: SURVIVING THROUGH STORMS”

Wednesday, 20th May 2009, 10.00-12.00

Bleicherweg 45, Zurich
Alliance, 4th floor

Main Speaker

MILAN PAJEVIC

Vice-President of the Ukrainian Building Association,
Chairman of the Board of directors, “Slav-Invest” Group of companies.

“**Slav-Invest**” is a group of companies with over 15-years experience in Project Management, designing, engineering, general contracting and turn- key construction.

To date company assets contain over 100 accomplished projects in 11 cities of Ukraine, from turn-key construction of **39 McDonald’s** restaurants to management of large investment projects in real estate and designing of offices of such leading Ukrainian and international companies as British American Tobacco, KRKA, Gorenje, Zepter, Ericsson, DLA Piper, Baker&McKenzie, Telenor and others.

In 2008 “Slav-Invest” has won the tender for the project management of construction of **Radisson SAS Hotel** in Ivano-Frankovsk region, Ukraine (“Bukovel” Tourist Complex).
